

Ho Ho Ho: You can now buy shares as Christmas Presents!

Is there someone you need to buy a present for but they already have everything?

Well now it's possible for you to buy Sheffield Renewables' shares as Christmas presents!

We have a new application form for you to buy shares for somebody else as a Christmas present.

This may be why we've had a large increase in shares bought from the North Pole!

One of our volunteers Julia has written a wonderful article about our presents:

If you would like to give a wonderful, ethical present which will really help Sheffield and our environment this is a great choice.

For more information, please visit our website:

Whether you are thinking of investing for yourself or buying a gift for someone else, you only have until the 31st December, so don't delay!

Thank you for all of your support over the last year

Merry Christmas and a Happy New Year from everyone at Sheffield Renewables!
